

ASSOCIATION & EVENT MANAGEMENT

CONFLUENT STRATEGIES

Our professional management team handles the details while your board of directors devotes its energy to strategic direction.

ASSOCIATION MANAGEMENT

Outsourcing management tasks to Confluent Strategies is a comprehensive solution that offers all-inclusive services and expertise to establish structure, provide value, and enhance the member experience.

- Administrative Management
- Financial Services
- Member Services
- Board Facilitation
- Marketing Services
- Event Management

We offer full-scale or partial management—so you only pay for the services you need.

“

Time-consuming tasks like balancing our accounts, managing our receivables, recording minutes at our meetings, and managing our online presence are among the benefits we get from Confluent Strategies. We even received high-level assistance and a successful resolution when the IRS lost our 501(c) filing.

JEREMY LESS

Mortgage Bankers Association of Memphis
