ScoreNavigator Mortgage Action Plan™ with Equifax is your secret weapon for mastering the mortgage game. This dynamic credit suite includes the Target Score Simulator, the Money Simulator, and the Manual Simulator, along with easy-to-read credit reports featuring point deductions per tradeline and sharp credit insights to elevate borrowers' credit profiles. Get ready to enhance loan approvals and make the mortgage process smoother and more successful because with ScoreNavigator with Equifax, winning just got a whole lot easier!

Mortgage Action Plan™

The Mortgage Action Plan™ strengthens credit health by pinpointing key areas of a borrower's credit profile and providing a clear, actionable plan to optimize their credit scores — leading to expanded lending opportunities.

Target Score Simulator

The Target Score Simulator provides the quickest and most economical way to reach a target score, along with the best day to pull credit to reflect the most updated changes.

Money Simulator

The Money Simulator identifies the best accounts to allocate funds to for the most positive impact on a credit score.

Manual Simulator

The Manual Simulator shows potential point gains or losses from specific actions and is highly effective for understanding credit score impacts.

And so much more!
